

Peace River Quilt Guild would like to invite members of VAQG to Beginning Landscapes a Bonnie Langenfeld Zoom class on April 23m 2021. Click for details.

Beginning Landscape Zoom Class Description

by Bonnie Langenfeld

Friday April 23 2021 10:00 a.m. – 4:00 p.m.

Learn the basic techniques for creating a beautiful landscape. In this class you will learn about fabric choices, perspective, using hues correctly and stitching elements such as trees, grasses, flowers. These basics will give you a great foundation for making another landscape (or two or ten!) on your own. The kit will supply fabrics that will all work beautifully and you will get to choose which ones you want to use, and how to lay them out. Realism is always my goal, and you'll be so pleased with how easy it is to achieve.

Beginning Landscapes Class Supply List and Kit Materials

©Bonnie Langenfeld 2021 www.landscapesinfabric.com

In this class you will be making a simple landscape with stitched features such as trees, flowers, and grasses. It will be a picture suitable for framing within an 8x10" mat and frame. You must be able to use your machine in free motion mode with a darning or free motion foot, and do a normal straight stitch.

Kit: \$28 includes fabrics, stabilizer, fusible - will be mailed to your home address printed on registration form

Supplies to be provided by the student:

General sewing supplies and an iron and non-stick pressing cloth

Machine: The machine must be capable of dropping the feed dogs and using a free motion or darning foot, in straight and zig zag stitches. Microtex or Universal needles, 90/14 or 80/12, are ideal. If you haven't done this before, please practice free motion stitching just to make sure that your machine is set up for it.

Glue Sticks: inexpensive ones work well for temporary fabric basting, don't use purple (sometimes the purple doesn't disappear). Optional: cardboard scrap to avoid getting glue on your table.

Threads: medium (40 or 50) weight top threads that are not shiny, or varigated:

at least 6 values of greens

at least 3 values of browns

two values of the color for your flowers (i.e. dark orange and light orange)

Optional: bobbin thread in white (70 or 80 wt)

Scratch paper and pencil

Optional: a picture mat with an opening about 8" x 10" You can easily make one by cutting an 8x10" hole in a larger piece of paper.

REGISTRATION:

You may register for this class by downloading the registration form from PRQG website
<http://www.peaceriverquilters.org/education/registrationform.pdf>

Print the form, fill it out INCLUDING YOUR EMAIL AND MAILING ADDRESS, and mail with \$10 check to PRQG (\$20 check for PRQG nonmembers) and \$28 check to Bonnie Langenfeld for kit with fabrics, stabilizer and fusible

Mail to:

Peace River Quilters Guild

PO Box 512265

Punta Gorda FL 33951

Please write "EDUCATION" on the envelope

This supply list will be emailed to you once your registration form, \$20 registration check and \$28 for pattern are received.

Bonnie Langenfeld will mail your kit to your home address printed on your registration form.

This is a zoom class. You will receive an email from Nancy Ouimette ncwemet@gmail.com with the login and passcode about a week before the class.
